

Places to Eat

Lovelace Women's Hospital has meals delivered to patient rooms in accordance to provider's dietary orders and patient needs. Snacks are available to patients 24/7 according to those same nutrition orders from the medical provider.

Our cafeteria is open for hot breakfast, lunch and dinner Monday through Friday and is also open for breakfast and lunch on weekends and holidays. Prices are posted in the serving line and the hours of operation are posted on the cafeteria door.

When the cafeteria is closed, visitors are welcome to use the vending machines in the cafeteria. You may also purchase food in the community.

If your loved one is a patient and not able to eat for any reason, we ask that you please do not bring food into their room.

If you are not on a special diet for your medical needs, you or your visitors may choose to have some food delivered. Options for food delivery include GrubHub and Uber Eats.
